Luminaria de aluminio extruido con acabado anodizado de 20 micras, en 100mm, 200mm, 300mm, 500mm, 1000mm y 2000mm de longitud, con tira de LED de 15Wm y 1540lm/m, difusor y tapas incluidos. Sistema de fácil conexión entre luminarias mediante uniones mecánicas y eléctricas bipolares que facilitan su instalación. Transformador de 24V no incluido.

20 micron anodized extruded aluminum profile, in 100mm, 200mm, 300mm, 500mm, 1000mm and 2000mm long, with 15Wm and 1540lm/m LED strip, diffuser and end caps included. Easy 'plug&play' bipolar connection system between luminaires through mechanical and electrical connections that facilitate their installation. 24V driver not included.

Ejemplos de instalación / Installation examples

Luminaria con bipolaridad. Sencilla instalación plug-and-play, sin necesidad de identificar la polaridad en su instalación, cualquiera de los dos extremos del perfil puede conectarse con el siguiente.

Bipolar linear luminaire. Easy plug-and-play system, without worrying about which is the positive or negative pole, any side of the profile can be switched with the next one.
