qbo

Downlight empotrable y orientable acabado en blanco y en negro. Reflector en aluminio pulido liso, de alto brillo, proporcionando un elevado nivel de rendimiento lumínico. Instalación mediante flejes de sujeción para montaje sin herramientas. Equipo de alimentación de clase II a 700mA incluido.

Recessed orientable downlight with fastening springs for mounting without tools. Round and squared versions available. Aluminum reflector with a polished smooth finish, with a high gloss, providing a high level of light output. Finished in white or black colours. Class II 700mA driver included.
